

Welcome to

OPPORTUNITY.

CROSS VALLEY FCU

Tuition Fund

March 2024

Dear Students,

Are you ready for an exciting opportunity? Cross Valley wants to reward you for your hard work! If you are a working high school student between the ages of 16 and 18 and looking to further your education in college, let us help prepare you for your next financial journey and assist you with your future tuition.

Save anywhere from \$250.00 to \$1,000.00, and we will match your funds and cut a check right to the school of your choice.

HERE'S HOW IT WORKS:

1. Open a primary and secondary share (savings) account at any convenient Cross Valley branch location or online at www.crossvalleyfcu.org. Be sure to request that the title of that secondary share be named "Tuition Fund".
2. Set-up direct deposit or personally deposit your paychecks and/or funds you have earned from your job into this account. (Please note that if you do odd jobs for cash, we will still match your deposits. You will just need to log the details of how much you earned on the attached sheets.)
3. Only deposits are allowed into the "Tuition Fund" account. Just remember that if you decide to withdrawal from the money you have saved, we will not be able to match these funds.
4. The minimum required amount of \$250.00 must stay in the account for at least 6 months.
5. Once you have reached your savings goal with the amount you want us to match, be sure to let us know.
6. Cross Valley will then ensure you followed the rules and will have a check ready within 5 business days made out to the school you will be attending.

If you have any questions, you can always contact us at (570) 823-6836. At Cross Valley, we are proud of your many accomplishments and look forward to helping you reach a bright financial future.

Sincerely,
